

## Fundraising Packages

We can supply point of sale material appropriate to the item being sold.

## **Bake a Blooming Cake!**

Encourage your staff to do a bakeoff challenge and create a range of home made sweet treats.

Suggest a donation of £2 per cake.

(not so keen on baking? Do it the secret cheats way and buy In your cakes from the local baker)

## Book sale!

Have a clear out at home and bring in your books. The older and more loved they appear, the more your customers will be drawn to them. Just ask for cash donations

(and more books). It's very low-tech but your customers will enjoy browsing to pick up a bargain whilst waiting to be served. (we can supply point of sale material)
